

# Preface

VOLUME TWENTY-SEVEN of *Life and Learning* contains a selection of papers from UFL's 2017 conference. UFL is deeply grateful to the University of St. Thomas Law School for providing a splendid venue for this meeting, and to our gracious local host, Professor Mary Hayden Lemmons of the UST Philosophy Department. We also owe a debt of gratitude to Professor Barbara Freres of Cardinal Stritch University for her splendid service as the Program Chair again this year.

Let me also offer my hearty thanks to Professor Jacqueline Nolan-Haley of the Fordham University Law School for her invaluable help yet again this year in the reviewing the papers submitted for this volume.

Electronic versions of these papers and many of those delivered at previous UFL conferences are available on our web site at [www.uffl.org](http://www.uffl.org). For additional copies of this volume or for bound versions of the proceedings of our earlier conferences, please contact me at [koterski@fordham.edu](mailto:koterski@fordham.edu).
